# Andrew Robertson Mackereth

Andrew Mackereth was born in Gateshead, in the North-East of England in 1965. A fourth generation Salvationist, he first attended a meeting aged barely a week old. The son of officer parents, he has lived in many places including 4 years in Zambia and nine years in Kingston-upon-Hull. It was here that he began his earliest musical training.

In 1982, he returned to his native North-East to enrol on the Certificate in Brass Band Studies Course at Newcastle College of Arts & Technology, studying trombone, euphonium and tuba. In 1984, Andrew gained a place at the Birmingham School of Music to study Trombone and Composition, later studying Percussion and Conducting also. In his fourth year, he won the Bernhard Brown Memorial Composition Prize. At the completion of his studies, he entered the teaching profession first in Nuneaton before moving to Birmingham to become Head of Music in the largest UK school.

His first publication was the song “Ring the Bells of Heaven” in 1987, but it was 1996 before his first piece for brass band entered the repertoire. To date, more than 250 of his compositions; religious and secular are in print; many frequently feature on the concert programmes of Salvation Army Bands. In November of 2008 he was honoured by the New York Staff Band with a concert of his music entitled Profile 30. Andrew has led music programmes in Argentina, America, Germany and Netherlands and guest conducts brass bands in Germany and Sweden.

Numerous commissions include STANDARD BEARERS for the International Staff Band of The Salvation Army, HYMNUS for Wilhelmina Easterein (Netherlands) and EXALTATION for the Melbourne Staff Band. Other notable collaborations include North York Temple Band, Canadian Staff Band, Amsterdam Staff Band and Songsters. His bass trombone solo: Swing Low has been recorded by the renowned Bass Trombonist: Douglas Yeo and Tubist: Leslie Neish.

In addition to numerous guest conducting appearances, Andrew is the Bandmaster of the Nuneaton Salvation Army Band, The Salvation Army Symphonic Wind Ensemble and The Glebe Symphonic Wind Orchestra.

# Mosi-oa-Tunya

## *From African Sketches*

Wind Band / Concert Band / Harmonie / Blasorchester

**Andrew Robertson Mackereth**

**2024**

**Mosi-oa-Tunya National Park** is a UNESCO World Heritage Site that is home to one-half of the Mosi-oa-Tunya: "**The Smoke that Thunders**" known worldwide as Victoria Falls on the Zambezi River. The river forms the border between Zambia and Zimbabwe, so the falls are shared by the two countries, and the park is twin to the Victoria Falls National Park on the Zimbabwean side.

This programmatic piece attempts to capture the journey of the Zambezi River towards the Falls and beyond.

As a child I had the amazing experience of sitting right on the very edge of the Falls during the dry season, the image has remained with me since.

It should be obvious that we have arrived at the Falls, and I welcome liberal interpretations of the tempi and dynamics throughout. The final chord is to be hummed very, very quietly – almost imperceptibly. It is noted for the back row of a typical band so that the sound takes on an ethereal quality. Band Directors are invited to adjust which sections sing, or not, according to their own band setup.

### **Performance note:**

The percussion part is very specific, but not prescriptive. I could easily have written parts for a further 10 players. The Marimba part could be played on a Xylophone, Vibraphone or Glockenspiel – in fact, if bands do have additional players at their disposal, I recommend that this part is double on another keyboard percussion instrument. There is an obvious opportunity to employ a Rainmaker liberally despite this not being notated.

Such is the nature of the tonality of the piece, it is possible to double the Marimba part, delaying the entry of the 2<sup>nd</sup> player by a beat, a bar, or a line.
