The Son Of The Sun

Brass Band

Bertrand Moren

L'empire Inca fut, entre le XVème et le XVIème siècle, le plus vaste de l'Amérique précolombienne. Durant une centaine d'années, ce ne furent pas moins de quatorze millions d'habitants qui peuplèrent son territoire.

Cette civilisation, très avancée et organisée, n'offrait néanmoins qu'une unité de façade, et les dissensions entre les différentes tribus qui le composaient étaient nombreuses. Ainsi, lorsque le conquistador espagnol Francisco Pizarro pénètre sur le territoire inca en 1532, il parvient à conquérir le vaste territoire de l'empire, à capturer et à exécuter l'empereur Atahualpa sans rencontrer une grande résistance.

Celui-ci peut donc être considéré comme le dernier empereur légitime des incas. Son autorité, sa bravoure et son intelligence étaient reconnus de tout son peuple, qui le considérait comme le « Fils du Soleil ». C'est sa vie fascinante que j'ai tenté de mettre en musique.

1. Noblesse et grandeur

Fils d'une princesse de l'ancien Royaume de Quito (Nord) et de l'Empereur HuaynaCapac, Atahualpa naît vers 1500. C'est donc un jeune homme habitué aux fastes majestueux de la cour.

2. Guerre de succession et victoire

Lorsque son père décède, la succession au trône reste incertaine. Dans l'incertitude, son demi-frère Huascar, dont la mère est une princesse de Cuzco (Sud), est couronné. La noblesse de Quito, étant hostile à cette décision, décide de couronner Atahualpa comme Empereur du nord. Après deux ans de coexistence pacifique entre les deux souverains, les hostilités s'ouvrent. La guerre civile dure des mois, mais finalement les armées de Huascar sont presque défaites. Atahualpa semble pouvoir devenir le 13^e empereur inca.

3. Rencontre avec Pizarro et capture

Il est en route pour Cuzco lorsqu'il reçoit la nouvelle du débarquement des espagnols dans la baie de Tumbes. Après quelques pourparlers, Atahualpa est invité par le conquistador Francisco Pizarro dans le village de Cajamarca, au nord de l'actuel Pérou, pour une entrevue. C'était en fait un piège, et il est fait prisonnier.

4. Exécution

Il offre aux espagnols pour sa libération une fabuleuse rançon en or et en argent. Ceux-ci acceptent, mais ils prennent alors conscience de sa puissance et de son influence sur son peuple. Par prudence, ils préfèrent l'exécuter discrètement, et mettent à sa place sur le trône un empereur fantoche, Manco Inca.

5. Mémoire et héritage

Aux yeux de nombreux habitants des pays andins, le prince Atahualpa reste une figure historique très estimée en raison de l'aspect tragique de sa capture par les Espagnols. Cette partie finale s'ouvre par une cadence d'alto en *declamato*, ce qui pourrait à mes yeux représenter le dernier message d'Atahualpa à son peuple qui pourrait être : « Restez fiers et debout ». Elle reprend ensuite les principaux thèmes de la pièce, mais d'une manière plus positive et optimisme, à la manière du peuple inca qui a su, malgré toutes les souffrances endurées, garder son sourire et son optimisme.

The Son Of The Sun

Brass Band

Bertrand Moren

Vom 15. bis zum 16. Jahrhundert war das Inkareich das größte im präkolumbischen Amerika. Während etwa hundert Jahren lebten nicht weniger als 14 Millionen Menschen in seinem Bereich.

Diese sehr fortgeschrittene und gut organisierte Zivilisation war jedoch nicht so einig, wie man denken könnte, und es gab viel Streit zwischen den verschiedenen Stämmen. Deshalb konnte der spanische *Conquistador* Pizarro, der 1532 in das Inkareich eindrang, ohne großen Widerstand dieses riesige Gebiet erobern und den Kaiser Atahualpa hinrichten.

Dieser kann als der letzte legitime Kaiser der Inkas gelten. Seine Autorität, seine Tapferkeit und seine Intelligenz wurden vom ganzen Volk anerkannt, das ihn den "Sohn der Sonne" nannte. Ich habe versucht, sein faszinierendes Leben in Musik darzustellen.

1. Adel und Pracht

Atahualpa wurde 1500 als Sohn einer Prinzessin aus der Gegend des heutigen Quito (im Norden) und des Kaisers Huayna Capac geboren. Er war also ein junger Mann, der den majestätischen Pomp des Hofes gewöhnt war.

2. Erbfolgekrieg und Sieg

Als sein Vater starb, war die Thronfolge unklar. Zuerst wurde sein Halbbruder Huascar gekrönt, dessen Mutter eine Prinzessin aus Cuzco (im Süden) war. Die Adligen von Quito waren damit nicht einverstanden und krönten Atahualpa zum Kaiser des Nordens. Nach zwei Jahren des friedlichen Zusammenlebens brach ein Bürgerkrieg aus. Der Kampf dauerte viele Monate, aber am Schluss wurde die Armee Huascars besiegt. Atahualpa konnte jetzt der 13. Kaiser der Incas werden.

3. Begegnung mit Pizarro und Gefangennahme

Er war unterwegs nach Cuzco, als er die Nachricht von der Landung der Spanier in der Bucht von Tumbes erhielt. Pizarro lud Atahualpa zu einer Besprechung in das Dorf Cajamarca im Norden des Landes ein. Doch dies war eine Falle, um Atahualpa gefangen zu nehmen.

4. Hinrichtung

Er bot den Spaniern ein fabelhaftes Lösegeld von Gold und Silber an. Sie nahmen es an, doch dann wurde ihnen bewusst, wie mächtig und einflussreich er bei den Einheimischen war. Sie entschieden, ihn heimlich hinrichten, und ernannten einen Marionettenkaiser, Manco Inca.

5. Nachlass

Wegen seiner tragischen Schicksals und seiner Ermordung durch die Spanier bleibt Atahualpa bei vielen Andenbewohnern eine hoch angesehene historische Figur. Dieser Schlussatz fängt mit einer Kadenz *declamato* des Solohorns an, die die letzte Botschaft des Kaisers an sein Volk darstellen könnte: "Bleibt stolz und fest". Danach kehren die Hauptthemen des Stückes zurück, aber auf eine positivere und optimistischere Art, genau wie das Inka Volk trotz seiner großen Leiden sein Lächeln und seine Hoffnung bewahren konnte.

The Son Of The Sun

Brass Band

Bertrand Moren

From the 15th to the 16th century, the Inca Empire was the largest in Pre-Columbian America. For a hundred years or so, not less than 14 million people lived in its territory.

This very advanced and well-organised civilisation was however not as united as it appeared, and there were numerous disagreements between the various tribes which belonged to it. This helped the Spanish conquistador Francisco Pizarro, who penetrated Inca territory in 1532, to conquer the empire's vast territory and execute the emperor Atahualpa without meeting much resistance.

The latter can thus be considered the last legitimate Inca emperor. His authority, his bravery and his intelligence were recognised by his whole people, who called him "the Son of the Sun". I have tried to depict his fascinating life in music.

1. Nobility and grandeur

The son of a princess of the ancient Kingdom of Quito (in the north) and the emperor Huayna Capac, Atahualpa was born around 1500. He was thus a young man used to the majestic pomp of the court.

2. War of succession and victory

When his father died, the succession to the throne was not clear. At first his half-brother Huascar, whose mother was a princess of Cuzco (in the south), was crowned. The nobles of Quito were unhappy with this decision and crowned Atahualpa as Emperor of the north. After two years of peaceful co-existence, civil war broke out. This lasted many months, but finally Huascar's armies were defeated. Atahualpa seemed set to become the 13th Inca emperor.

3. Meeting with Pizarro and capture

He was on the way to Cuzco when he received news of the Spanish landing in the bay of Tumbes. Pizarro invited Atahualpa for talks in the village of Cajamarca, in the north of what is now Peru. It was in fact a trap, and he was taken prisoner.

4. Execution

He offered the Spaniards a fabulous ransom in gold and silver in return for his freedom. They accepted, but then they realised how powerful and influential he was amongst the natives. They decided to play safe by executing him in secret, and put in place a puppet emperor, Manco Inca.

5. Heritage

Atahualpa remains a highly respected historical figure in the eyes of many inhabitants of the Andes, because of the tragic aspect of his capture by the Spanish. This final movement opens with a solo horn cadenza marked *declamato*, which could represent the emperor's last message to his people: "Stay proud and stand fast". Then the principal themes of the piece return, but in a more positive and optimistic guise, just as the Inca people managed to keep their smile and their hope despite all the suffering they endured.
